Lifestyle Boardgames is one of the leading Russian boardgame publishers, distributors and retailers.

It all started in 2005 from a dream to create the games we would like to share with our friends and families. Today Lifestyle Boardgames is a team of more than 80 professionals who licensed and put on the Russian-speaking market over 500 games and successfully launched into international publishing with over 40 original titles. Our games are sold in more than 40 countries all over the world and it's just the beginning!

We earned a reputation for the highly interactive mechanics, innovative components and careful selection of the most interesting concepts from both Russian and international authors. In 2020 our creative approach was highly regarded by one of the most prestigious awards Kinderspiel des Jahres for Hedgehog Roll.

We are constantly raising the bar to develop high quality board games to entertain friends and families all around the world.

Silver Note is a famous musical festival held every year in a peaceful valley. Talented sheep musicians gather in the hope of receiving the eponymous award from lupine critics. However, this year the prize went missing. A wolf and four sheep accomplices were the culprits – none of them attended the concert. Right now wolves are already on the train leaving the valley, yet you still have a chance to talk to the sheep. Can you identify the criminal in time to return the missing note?

TIME CAPSULES

Game designer: Yaroslav Kustov

Illustrators: Stijn Windig, Roman Kelip, Maxim Suleimanov

Size: 31×31×10.5 cm

Strategy

Traces of an alien civilization were found on a remote planet. Yet the planet is empty, left by its masters. The only things they left were the giant capsules, capable of travelling to the past, and skipping back through time to us. As representatives of future mega-corporations, you will have to take control of the capsules and enter a Gold Rush of the new era: the hunt for the relics of a long gone civilization.

Components:

- 16 time capsules
- 4 bags
- 120 tiles
- 37 cards
- 26 dice
- 180 tokens
- 40 crystals
- 4 pawns
- Round marker
- VP track
- 4 player mats

Send the capsules to the distant past, find everything you can use, and exploit newfound abilities to acquire more miraculous devices and technologies. But beware — greed may lead you to tear the very fabric of space-time, putting in danger yourself and, possibly, all humanity.

Time Capsules is a pool-building game where you can use different objects and resources to devise your strategy. Amass victory points for the knowledge you receive and the artifacts you bring to the present in order to win this amazing race!

- Futuristic artwork and eye-catching design.
- A well-integrated time travel theme.
- Based around a pool-building mechanic with actual plastic spheres, which are used to create powerful combinations of different items.
- Exciting components: textured time capsules, futuristic alien artifacts, computers and bioobjects and so much more!

The once thriving Roman Empire fell apart. Who can resist the temptation to claim some of the lands for themselves? Do you prefer vineyards or quarries? Or maybe you want a little bit of everything with some olive groves and an oil mill on top? All you need is to make a good trade: offer a beautiful antique theater in exchange or add a few precious diamonds... Divide and swap lands, outguess and bribe your opponents! Create a prosperous domain from the lots of Rome! Lotta Rome is a simple strategy game based on the original "cut-and-choose" mechanic that will win the hearts of aspiring conquerors of all ages.

A top secret Soviet space mission set out to colonize a planet in a remote galaxy, far away from home. The settlers built there a small communist heaven which exists to this day. As one of the leaders, your goal is to guide the settlers on this new, yet strangely familiar terrain. The players get to control all of the settlers, each time a different one.

You must expertly manage the resources and choose the jobs carefully so as not to upset the settlers: keeping up the morale is of utmost importance if you want to become the most prolific leader!

Wandering through the winding paths of a magic forest Alice stumbles upon a royal garden. Poor gardeners have been rushed off their feet trying to arrange it according to the Queen's wishes. The trees must be as far apart as possible, the rose bushes must be the most sumptuous in the whole Wonderland, and the chess pieces must have a neat path to walk on... Is it possible to achieve all that and be spared the Queen's wrath?

Arrange the garden plants in the most advantageous way and help Alice and the gardeners appease the Queen and grow the best garden in Wonderland.
