

You are looking at a Tempo! mini-game!

- 1 Place 5 condition cards (blue) and 1 question card (white) on the table.
- 2 Each player must come up with an answer to the question in under 1 minute.
- 3 The answer must be no more than 6 words and must be related to the question.
- 4 Read out the answers and vote for the best one: on «three» each player points at the players with the best answer. The player with the most votes receives 5 points.
- 5 For each fulfilled condition the player scores the number of points noted on the condition card.

Cards with letters give you points for each word that starts with this letter.

Cards with categories and grammar challenges give you points if you use a work of a given category or fulfil a grammar task.

If you fulfill a condition several times, you receive points for each time you fulfill it,

- 6 The game ends after the third round. The player with the most points wins the game. To start a new round, open 5 new condition cards and 1 new question card. If there're no more cards left, shuffle the discarded cards.
